Moved: Daryl Trim	Seconded: Riku van Tonder	PASSED unanimously

NZFAA Affiliation. Due to the high cost of affiliation and low numbers of RGA members participating in NZFAA events discussion was held around the viability of the situation.		
Motion: That RGA cease to affiliate with NZFAA upon their new financial year, 2026/27.		
Moved: Daryl Trim		PASSED unanimously
The constitution will need to be checked that it does not state we must affiliate to NZFAA.		

AGM CLOSED

7.42pm

GENERAL MEETING

Opened 7.46pm

General Business:

A member asked if membership fees could be paid in instalments. Yes, currently quarterly if due to financial hardship.

Due to attempted break-in to containers, thwarted by the lock box, proposed adding another lockbox to each container. Riku can source quality lockboxes.

Adding another camera with alerts so culprits can see the camera has been activated.

Motion: We invest in additional lockboxes and camera.

Moved: Daryl Trim

PASSED

Contact HCC regarding the gate lock. The padlock is extremely difficult to open; needs replacement. Plus need them to remove the fallen tree before an upcoming tournament at the start of November.

RC have been packing up the range earlier than 7pm for evening shoots. If members arrive late they need to ask RC to keep range open til 7pm.

Meeting closed: 8.09pm

Presidents report for 2024-2025 Season

Tena koutou Katoa, Hello and welcome to everyone. I am delighted to present the President's Report for River Glade Archers for the 2024 – 2025 season.

This year has been another big year for River Glade Archers. A year that has made me extremely proud to be a member and President of such a great club. I have had a huge year personally, with some even questioning if I still know what a bow looks like! And I want to take this moment to express my immense gratitude to the RGA committee for all your hard work keeping the wheels turning and continuously making improvements, taking the club from strength to strength. We have come along way over the past few years, and I am, and you should be extremely proud of all that has been achieved.

I would like to highlight some of the fantastic work the club has achieved this year.

The final installation of the new toilets

The completion of the Target upgrade at Graham Park

An arrow building workshop

Internal wall in the container for targets

Tournaments:

As a club we managed to run a number of competition events such as:

Recurve Roundup, Compound Classic and also implement the introduction of the Barebow Bonanza.

We also held the:

12 Spot Challenge, NZFAA outdoor Marked Round, a score chaser tournament targeted specifically at the youth, and a fundraiser tournament for the NZ Compound Team – The Silver Arrows.

Beginners & Have a Go:

We have run 6 x Have a go day's and 5x Beginners courses this year. This is where a lot of our new members come from building sustainability of the club, so thank you to the group of coaches that give up their time to run these events. We have gained some really good new members who are showing real potential as shooters and valuable club members. Special Thank you to our Membership Secretary – Craig Harrington for all your hard work on organising these.

The Ranges:

River Glade would be one of the few across the motu to have an indoor range (Cambridge), a lovely sheltered outdoor range (Graeme Park) and a beautiful field Range out at Whatawhata. I would like to take this opportunity to thank Graham and Kay Martin for the use of their property for our enjoyment. All of these ranges take a bit of effort to maintain, many hands make light work so thank you to those who have pitched in with working bees, running competitions & BBQs. We encourage all our newer members to get involved, and if you are not sure how, please come and see a committee member.

Club Member Achievements:

Congratulations to all our members who have been successful in their goals for archery, whether it is shooting for a personal best on a club day or representing our country both at home and at international events. Some special mentions and congratulations to Riku Van Tonder for attending the world cup and world games achieving 9 th in the world. Ben Trim achieving qualification for NZ at CQT event for world games. Mike Savage and Vicky Rombouts for some fantastic achievements in field events. McKenzie for getting to her first trans-Tasman international event, And well done to the many members who attended the indoor and outdoor National events. Also a congratulations to Riku Van Tonder for taking up a position on the high performance panel for Archery New Zealand.

Looking forward:

The committee have been discussing and working on plans to:

Have a twilight fun shoot and Pizza Night

Run a Club Championships

A Club Christmas Shoot

Monthly seminars over the Nov – Feb for our members with high performance archers to provide hints and tips on improving your archery in each bow type as well as a mindset coaching session with one of NZ's High- Performance Coaches

Field Shooting – the committee will be opening and making use of the field range on a fortnightly basis during the summer months to give our members more opportunities to shoot field archery.

Keep an eye out for news about these events on the members Facebook group, and the member newsletter in your inbox soon.

If you have any other ideas, you would like the committee to consider please do not hesitate to talk to a committee member, or email the secretary so we can ensure all voices are heard.

Nga mea pai katoa mo te tau e haere ake nei

All the very best for the year to come.

Nga mihi nui
