❖ **General Business**

- ADAA Target Champs - decline the invitation due to prior commitments.
- ADAA Opening weekend - we are hosting. Put on Archery OSA for registrations so we can manage the numbers to fit the range.
- AGM - date set for October 10th at either Western Community Centre or Trust Waikato rooms. Notification to the members of the date and when remits/policy changes need to be submitted ready for official lodging of the AGM documents
- Newsletter presented. Everyone is happy with it.
- We will affiliate with NZFAA for their 2025/26 season, however will see if members start shooting in NZFAA events to make it worth the cost. Members have until NZFAAs end of season (April?) dates to be regularly shooting NZFAA, then we will hold a Special General Meeting and survey to decide if we keep our affiliation.

❖ **Action Points**

- Toni - look into a possible change of Insurers to PIC
- Toni - contact ADAA to explain we will not host the ADAA Target Champs.
- Toni - send Wayne the fabulous newsletter to send out to members.
- Wayne - contact Candy to change the Friday night booking to RGA
- Wayne - talk to Ashley to see if he could do something with making a new mobile target trolley.
- Wayne - notify members of AGM and call for remits, and highlight Field push on Fridays and NZFAA shooting. The NZFAA membership season is April and we will decide then if we stay depending on how many want to stay affiliated.
- Riku - talk to Levi's mate about target trolley too.
- Darren - design the wall for hanging the club bows more systematically.
